To: **The Shareholders of Knusford Berhad**

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND ADDITIONAL MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE.

1. INTRODUCTION

On 28 June 2010 the Company obtained shareholders' approval for a general mandate from its shareholders for the Company and its subsidiaries to enter into RRPTs in the ordinary course of business of a revenue or trading nature which are necessary for day-to-day operations of the Company and its subsidiaries based on commercial terms which are not more favourable to the Related Parties than those generally available to the public.

The said existing mandate for RRPTs shall lapse at the conclusion of the forthcoming AGM unless its renewal is obtained from the shareholders at the AGM, in addition to obtaining Additional Mandate at the same AGM.

The Company had on 25 April 2011 made an announcement to Bursa Securities pertaining to the above mentioned Proposed Mandate.

The Board proposes to seek the approval of shareholders for a Proposed Mandate for the Company and its subsidiaries in its normal course of business and on terms not more favourable than those generally available to the public, to enter into transactions set out in paragraph 3.4 below with persons who are considered to be "related parties" as defined in Chapter 10 of the Listing Requirements.

2. APPROVAL REQUIRED

The purpose of this Circular is to provide shareholders with details pertaining to the Proposed Mandate and to seek shareholders' approval for the resolutions to be tabled at the forthcoming AGM to be convened on 27 June 2011 at 11.00 a.m. at the Grand Seasons Hotel, 72 Jalan Pahang, 53000, Kuala Lumpur.

3. DETAILS OF THE PROPOSED MANDATE

3.1 Provisions under the Listing Requirements

Pursuant to Part E, Chapter 10.09 of the Listing Requirements, listed issuers with an issued and paid-up capital of RM60 million and above must immediately announce a Recurrent Related Party Transaction as follows:

- (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transaction is RM1 million or more; or
- (ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more whichever is higher.

Paragraph 2.4 of Practice Note 12 states that where a listed issuer has obtained a shareholders' mandate in respect of any Recurrent Related Party Transaction, the above disclosure obligation will not apply to the Recurrent Related Party Transactions which are comprised in the mandate.

Accordingly, the Company proposes to seek its shareholders' approval for the Proposals to enable the Company to enter into transactions with the Related Parties which are of a revenue or trading nature and necessary for its day-to-day operations, on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

If approved at the forthcoming AGM, the Proposals will take effect from the passing of the Ordinary Resolutions relating thereto and will continue to be in force until:-

- i) The conclusion of the next AGM of the Company following the general meeting at which the authorisation is obtained, at which time it shall lapse, unless by Ordinary Resolutions passed at the meeting, the authority is renewed either unconditionally or subject to conditions; or
- ii) The expiration of the period within which the next AGM of the Company after this date is required to be held pursuant to section 143(1) of the Act (but shall not extend to such extension as may be allowed pursuant to section 143(2) of the Act); or
- iii) Revoked or varied by resolution passed by the shareholders in a general meeting whichever is the earlier.

3.5 Rationale for, and the benefit to, the Group for transacting with the Mandated Related Parties

The Company and its subsidiaries relationship with the Mandated Related Parties

The Mandated Related Parties are both good customers of the Company and its subsidiaries as well as reliable suppliers of raw materials, goods and services required by the Company and its subsidiaries for its businesses. The raw materials and goods provided by the Mandated Related Parties are priced competitively and all transactions between the Company and its subsidiaries and the Mandated Related Parties are carried out on an arm's length basis and on terms not more favourable to the related parties than those generally available to the public. The raw materials, goods and services can also be obtained from the Mandated Related Parties even when short notice is given to them, in order to meet the tight deadlines of the Company's business and of its subsidiaries. Although the Company also sources similar raw materials and goods from third parties, the Company would like to seek shareholders' approval for the Proposed Mandate as the close co-operation between the Company and the Mandated Related Parties has reaped mutual benefits and has been and is expected to continue to be of benefit to the business of the Company and its subsidiaries. Further, the Company and its subsidiaries can enjoy the lowest cost through bulk purchase arrangement.

The benefit of the Proposed Mandate

The obtaining of the Proposed Mandate and the renewal of the Proposed Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when the potential RRPTs with a Mandated Related Party arise, thereby reducing substantially administrative time and expenses in convening such meetings, without compromising the corporate objectives and/or adversely affecting the business opportunities available to the Company and its subsidiaries.

The Proposed Mandate is intended to facilitate transactions in the normal course of business of the Company and its subsidiaries which are transacted from time to time with the Mandated Related Parties, provided that they are carried out on arm's length and on the Company and its subsidiaries' normal commercial terms and are not prejudicial to shareholders and on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

3.6 Review Methods or Procedures for RRPTs

There are procedures established by the Company and its subsidiaries to ensure that RRPTs are undertaken on an arm's length basis and on the Company and its subsidiaries normal commercial terms and on transaction prices and terms not more favourable to the related parties than those generally available to the public, consistent with the Company and its subsidiaries usual business practices and policies, which are generally no more favourable to the Mandated Related Parties than those extended to unrelated third parties and are not to the detriment of the minority shareholders.

The Company will implement the following procedures to supplement existing internal procedures for general transactions to ensure that the RRPTs are undertaken on an arm's length basis and on normal commercial terms and on terms not more favourable to the related parties than those generally available to the public.

- (i) A list of Mandated Related Parties will be circulated to the Company's subsidiaries to notify them that all RRPTs are required to be undertaken on an arm's length basis and on normal commercial terms and on terms not more favourable to the related parties than those generally available to the public and not detrimental to the minority shareholders;
- (ii) All RRPTs will be reviewed by a management committee comprising at least one (1) executive director and two (2) senior management staff;
- (iii) The annual internal audit plan shall incorporate a review of material RRPTs entered into pursuant to the Proposed Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to;
- (iv) The Board and the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPTs have been complied with and the review shall be done annually together with the review of annual results;
- (v) The Board and the Audit Committee have reviewed the procedures and shall continue to review the procedures and processes on a quarterly basis;
- (vi) For items with material value quotations will be taken to gather information to compare the price quote by third parties and related parties for the purpose of determining the competitive market price of materials and goods. It is the Company's policy to purchase material or goods from related parties when the prices are competitive with prices obtained from third parties. Other factors such as reliability of supply, delivery, services and quality of materials or goods will also be taken into consideration for evaluation purposes; and
- (vii) Disclosures will be made in the annual report of the breakdown of the aggregate value of the RRPTs during the financial year amongst others, based on the following information:-
 - (a) the type of the RRPTs made; and
 - (b) the names of the related parties involved in each type of the RRPTs made and their relationship with the listed issuer.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event the quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be based on business practices and policies and on terms which are generally in line with industry norms in order to ensure that the RRPTs is not detrimental to the Company or its group of companies.

There is no specific threshold however, each RRPTs will be approved by the same management committee within the group of the companies as long as the value of RRPTs is within the mandate approved by shareholders. The management committee comprises of at least one (1) executive director and two (2) senior management staff i.e. Senior Manager and Accountant.

3.7 Audit Committee's Statements

The Audit Committee will review the relevant RRPTs and also review the established guidelines and procedures to ascertain that they have been complied with. Further, if during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the guidelines and procedures as stated above are not sufficient to ensure that the RRPTs will be done on the Company and its subsidiaries normal commercial terms and on terms not more favourable to the related parties than those generally available to the public and will be prejudicial to the shareholders, the Company will revert to the shareholders for a fresh mandate based on new guidelines and procedures immediately, and in any case before the next transaction is entered into.

The Audit Committee has reviewed the terms of the Proposed Mandate, and is satisfied that the review procedures for RRPTs, as well as the periodic reviews to be made by the Audit Committee in relation thereto, are sufficient to ensure that the RRPTs will be made with the relevant classes of related party in accordance with the Company and its subsidiaries normal commercial terms and on terms not more favourable to the related parties than those generally available to the public, and hence, not prejudicial to the shareholders, nor disadvantageous to the Company and its subsidiary and are not to the detriment of the minority shareholders.

The Company has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit Committee conducts the review of these procedures and processes on a quarterly basis.
